NOTICE.

It is the intention of the Directors to hold two meetings during the Exhibition for the discussion of subjects relating to Fruit Growing. The time and place of meetings will be announced through the press previous to the 6th of August.

The success attending the Exhibition last August, and the importance which the Association has obtained, has led the Directors to somewhat extend their prize list hoping thereby to increase the interest in this important industry, and make this, their second Exhibition, superior to anything of the same description ever before held in the Province.

The co-operation of all is cordially invited.

RULES AND REGULATIONS.

1. All specimens placed in competition for premiums must be bona fide GROWN BY THE COMPETITOR; and if proved not to be such, he to be disqualified from receiving any premium whatever at the Exhibition.
2. All plants, flowers, fruits and vegetables must be carefully labelled with their proper names. Botanical names to be added as far as possible.
3. In awarding premiums on plants in pots, special reference will be had to the beauty of the specimens, profusion of bloom and evidence of superior cultivation.
4. The term "Dissimilar" shall in every instance be held to mean distinct varieties of any plant.
5. Any deviation, more or less, from the exact quantities or numbers specified in the schedule may disqualify a competitor at the discretion of the Judges.
6. All exhibitors in the classes for bouquets must have them of such a size that they can be shown in vases provided by the Association.
7. Pot-plants must have been grown in pots at least two months previous to the Exhibition, and have also been the property of the exhibitor for a similar period. If proved not to be such they will be disqualified.
8. Cards corresponding with the entries will be furnished the exhibitors, who alone will be responsible for the placing of them, and are requested to satisfy themselves that the cards correctly describe the objects exhibited. The Association cannot be responsible for any mistake arising from the non-observance of this or any other rule.
9. In order to allot the space required in each section, all entries must be made in writing and subscriptions paid not later than the Saturday previous to the opening of the Exhibition, after which date no entries will be received.
10. The Secretary shall not be *obliged* to receive any entries not made in writing, blank forms for which will be furnished on application. Parties at a distance may send their entries by mail.
11. All articles to be exhibited for premiums must be in the building by three o'clock, p.m., on the day of the opening of the Exhibition, at which hour the door will be closed, and no further exhibits admitted. One hour will be given thereafter for exhibitors to finish placing and ticketing their articles, at the close of which time they must be prepared to leave the building, in order that the Judges may make their awards. Exhibitors are requested to second the efforts of the Association in enforcing this rule.
12. The Judges shall have the discretionary power of withholding premiums; if, in their opinion, the articles exhibited do not merit them; and they are particularly requested to keep this rule in mind.
13. Gratuities may be awarded by the Judges for any new or rare fruits, flowers, plants or other objects of particular interest, for which no special premium has been offered.
14. The Judges shall not be competitors in that class for which they are to award premiums.

VICTORIA, B. C.

189884

15. On recommendation of the Judges, or of a committee appointed by the Association, the Directors may award a diploma for exceptional excellence, if in their opinion it is deemed advisable.

16. The decision of the Judges, as regards the premiums, must be considered final, and no protest will be entertained, except when the awards are not made in conformity with the rules of the Association.

17. No individual, except the Judges, will be allowed to touch or handle any fruit, flower or other article exhibited, and any exhibitor proved guilty of having tampered with any article on exhibition, or section cards, will be liable to be deprived of all premiums he may have been awarded, at the option of the committee.

18. While the Judges are making their awards, no person shall be present except parties not in any way interested.

19. Committees may be appointed by the Association to assist in naming fruits and plants about which exhibitors may be doubtful, but the Association does not assume any responsibility in the matter.

20. The Association will not be responsible for damage done to plants during or after the Exhibition, but all ordinary care will be taken of them.

21. Parties will not be allowed to compete for more than one prize in the same section, and no article that has already been awarded a prize will be entitled to another.

22. The Association, will under no circumstances, pay charges on plants sent for competition. Nor can they assume the responsibility of looking after such until placed in the building.

23. All articles exhibited shall remain in the building until the close of the Exhibition, when they will be delivered to the contributors, unless otherwise directed.

24. Any person residing in the Province may become a member of the Association on payment of an annual membership fee of Two Dollars, for which payment he will receive a Ticket of Admission to the Exhibitions for his own use, and be entitled to the privilege of competing at all Exhibitions of the Association.

25. Any person residing outside the Province, on payment of an entrance fee of One Dollar, will be entitled to a Ticket of Admission to the Exhibitions for his own use.

26. Prize lists and all other information may be obtained by applying to the Secretary; and all persons interested in Horticulture are invited to contribute articles for Exhibition.

A. H. B. MACGOWAN,
Secretary-Treasurer,
VANCOUVER.

OPEN TO ALL MEMBERS OF THE ASSOCIATION.

(See Rule 24.)

No entries will be received later than the 2nd of August. (See Rule 9.)
